

# San Joaquin Asparagus Festival

## April 12, 13 & 14, 2019

The Noceti Group, Inc. is proud to announce the continuation of the San Joaquin Asparagus Festival at the San Joaquin County Fairgrounds, April 12 through April 14, 2019. The Asparagus Festival is a volunteer run event and would not be as many years strong without the passion and dedication of thousands of volunteers that have given their time over the years. Each year's the festival requires over a thousand volunteers to ensure a smooth operation. So get your non-profit organization on board and get involved in keeping this amazing event in the community – it's a guaranteed good time!

### WANT TO VOLUNTEER?

There are numerous way to get involved with our festival – you can take an active role by volunteering in several areas of the festival operations, including guest services, general operations, Asparagus Alley, tickets, etc. It takes a large group of dedicated, engaged, community-minded and fun volunteers to step up and make this three-day event happen!

The Asparagus Festival is successful, in part, because volunteers work together as a team to provide excellent services to patrons, performers and other volunteers. The success of the festival is therefore dependant upon volunteers contributing fully to their crew and completing all scheduled shifts.

*Our volunteers are passionate about the Asparagus Festival and we would like you to join our team and make this years event a huge success!*
