

Asparagus Festival Volunteer Parking

MUST BE WEARING WRISTBAND TO ENTER

Xochi Mex Taqueria - enter through Gate #4
1600 S. "B" Street, Stockton, CA 95206

Go into parking lot and continue to rear of lot through stable entrance and park at the stables. A shuttle will circulate to pick you up and bring you closer to the "B" Street Entrance Gate. There will be an Express Lane for volunteers to walk through security. Continue to Bldg #2, the long building straight ahead of where you enter. Check-in is in the back of Bldg #2.

If you drive to 6th street, you've gone too far.
(this is a paid festival parking entrance, not free volunteer parking)

Please make sure you allow plenty of time for traffic entering the parking lot, getting on shuttle to the B Street festival gate, going through security at gate and arriving to your designated area in enough time to start your shift.
